

NINETEEN EIGHTY FOUR

The classic George Orwell story set in a world where absolute conformity in action, word and thought including loyalty to Big Brother is demanded. In 1984, the world is divided into three vast states, whose inhabitants are dominated by all powerful governments. Winston, a worker, starts an illegal love affair with Julia, and becomes the target of a brain-washing campaign to force him to conform.

CRIME AND PUNISHMENT

A modern day interpretation of Fyodor Dostoyevsky's timeless classic, "CRIME AND PUNISHMENT" is one man's search for the true meaning of his existence. But while enlightened by his revelations, he is ultimately and tragically, unable to elude his destiny.
