Entertainment Must List

"GRADE: A. REMARKABLE."
– Chris Nashawaty

In this Sundance award-winning film, Director Matthew Heineman gains unprecedented, on-the-ground access to the riveting stories of two modern-day vigilante groups and their shared enemy—the murderous Mexican drug cartels. In the Mexican state of Michoacán, Dr. Jose Mireles, a small-town physician known as "El Doctor," leads the Autodefensas, a citizen uprising against the violent Knights Templar drug cartel. Meanwhile, in Arizona's Altar Valley, Tim "Nailer" Foley, an American veteran, heads a small paramilitary group called Arizona Border Recon, whose goal is to stop Mexico's drug wars from seeping across our border. Heineman embeds himself in the heart of darkness as Nailer, El Doctor, and the cartel each vie to bring their own brand of justice to a society where institutions have failed.
