

# I DREAM IN ANOTHER LANGUAGE

"A fantasy for adults...it's thrilling to see such an original, mature story seek to fill its big heart with poetry"

- RogerEbert.com

From critically-acclaimed director Ernesto Contreras (*El Chapo*, *Seguir siendo: Café Tacvba*, *Blue Eyelids*), *I Dream in Another Language* features Fernando Alvarez Rebel, Fátima Molina and veteran Mexican actors Eligio Meléndez and Manuel Poncellis.

An indigenous language is in peril as its last two speakers, Evaristo and Isauro, had a quarrel in the past and haven't spoken to each other in over fifty years. Martin, a young linguist, will undertake the challenge to bring the old friends back together and convince them to once again talk to each other, all so he can obtain a recorded registration of the language and study it. However, hidden in the past, in the heart of the jungle, lies a secret concealed by the language that makes it difficult to believe that the heart of Zikri will beat once again.
