

WAKE UP!

"IF AMERICA: FROM FREEDOM TO FASCISM IS RIGHT ONLY 10 PERCENT OF THE TIME, WE'RE IN BIG TROUBLE." -ROBERT W. BUTLER, KANSAS CITY STAR

"RUSSO IS A CLEARLY A HEALTHY MINDED SKEPTIC WHO TRIES TO GET BOTH SIDES OF THE STORY." -KEN FOX, TV GUIDE'S MOVIE GUIDE

Determined to find the law that requires American citizens to pay income tax, producer Aaron Russo ("The Rose", "Trading Places") set out on a journey to find the evidence.

Neither left, nor right-wing this startling examination of government exposes the systematic erosion of civil liberties in America since 1913 when the Federal Reserve system was fraudulently created. Through interviews with U.S. Congressmen, a former IRS Commissioner, former IRS and FBI agents, tax attorneys and authors, Russo connects the dots between money creation, federal income tax, and the national identity card, which becomes law in May 2008 and will use Radio Frequency Identification (RFID) technology. Could this be a precursor to an impending police state in America?
