

**"Awesome. Truly epic.
A masterpiece. Wholly original."**
- Richard Schickel, TIME

When Al Pacino and Robert De Niro square off, *Heat* sizzles. Written and directed by Michael Mann, *Heat* includes dazzling set pieces and a bank heist that *USA Today's* Mike Clark calls "the greatest action scene of recent times." It also offers "the most impressive collection of actors in one movie this year" (David Ansen, *Newsweek*). Val Kilmer, Jon Voight, Tom Sizemore and Ashley Judd are among the memorable supporting players in this tale of a brilliant L.A. cop (Pacino) following the trail from a deadly armed robbery to a crew headed by an equally brilliant master thief (De Niro).

Heat goes way beyond the expectations of the cops-and-criminals genre - and into the realm of movie masterpiece.

INCLUDES: Theatrical Trailers • Languages & Subtitles: English & Français (Feature Film Only).
